TCCC DAYCAMP 2019

Toronto Christian Community Church has been providing a non-profit Christian Children's Camp since 1987. The main objective of this camp is to teach the Word of God and show His love to the children in order to establish a relationship with the Lord at a young age. It is our hope that through Bible lessons, games, arts and crafts as well as other activities, your child(ren) will grow intellectually, physically, and spiritually. We have a group of competent Christian individuals to serve as Day Camp teachers and assistants who are committed to bring glory to God through their teaching and sharing the gospel of Christ with your child.
